FINANCIAL POLICY

This statement is to inform you of our financial policy. We are committed to providing you with the highest quality dental care using only the best material and technology available in the market today. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in maintaining optimum oral health. Our financial policy is intended to facilitate excellent service to you while minimizing our administrative costs.

All charges you incur are your responsibility regardless of your insurance coverage. We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Your insurance policy is a contract between you, your employer and the insurance company. Our office is not a party to that contract. If payment from your insurance company is not received within 90 days from date of service, you will be expected to pay the balance in full.

As a courtesy to you we will help you process all of your insurance claims. You may direct your insurance company to pay your benefits directly to our office by signing the authorization on the Assignment of Benefits Agreement. In order for our office to file your insurance claim, you must bring proof of insurance at each appointment.

All co-payments are due at the time service is provided. Our office accepts cash, personal checks, MasterCard, Visa, American Express, and Discover. Outside financing is available through CareCredit upon request and approval.

Returned checks will be subject to a collection fee of \$25.00.

If you have any questions regarding our financial policy, please ask. We are committed to providing you with the most positive experience in dental care.
